

Bransby Baby Boom

Over the last couple of weeks Bransby has seen the arrival of 3 new foals. Each of their mothers came to us in foal but it was unknown when they were due.

Ludlow who came to us as part of the Wrexham gang at the beginning of July gave birth to a colt named Daiquiri on the 22nd July. Amaretto who was also one of the Wrexham gang gave birth to a filly named Ruby on the 6th August and finally Pudding who came to us in December 2010 gave birth to a long awaited colt that was named Sisqo on the 11th August. All mums and foals are doing great.
