

Come to Rare Breeds Survival Trust Race Day

RBST Gloucestershire Support Group has organised a wonderful day at Cheltenham race course on Friday 14th October.

There is the opportunity for a 'behind the scenes' tour and lunch will take the form of a superb buffet of locally-sourced foods in a private area of the Festival restaurant with a terraced area overlooking the race course.

Tickets cost £125 and are on sale to the public as well as RBST members. Places are limited so please book early to avoid disappointment.
